

Points:

- No points.

Due:

- Upload a single .doc file through assignment_01 link posted under assignments tab on Blackboard by **09:00 AM of Friday, Sep 15, 2017.**

Submission Format:

- File type: Word file (.doc or docx). No PDF Files.
- File name: yourLastName_yourFirstName_assignment_01
 - e.g. ajaj_ola_assignment_01.doc
- Font: Times New Roman.
- Font size: 10.
- Page number: at the bottom.

Rules:

- Keep it short, keep it simple.
- We are not writing publications or complete reports, so no need for long essays.
- Please answer using short itemized paragraphs (3-5 lines) per question should be enough. No longer.
- Simply write the question first, then your answer below.
- Your own graphs and tables are welcome.

[Q1] Submit a report that describes the final project you are going to implement in this class.

The following titles should be included in the report:

- [1] Name your app ☺ Be Creative! Target the Market ☺
- [2] Abstract: what is the application about?
- [3] Motivation: what is the need for such application?
- [4] Competitive Comparison: Compare your app with some existing in the market.
- [5] Application Architecture: which components (features) you are going to implement?
